REACH Compliance Declaration

We hereby declare that all BOTHHAND Products, which are delivered to customers, shall conform to the specifications of Substance of Very High Concern (SVHC) in view of regulation 1907/2006/EC (REACH) and also fulfill the Annex XIV & Annex XVII requirements, unless customers have special requests.

The chemical analysis of 191 (SVHC) is performed by means of currently available analytical techniques against the list published by European Chemicals Agency (ECHA) on Jun. 27th 2018.

Refer to <http://echa.europa.eu/web/guest/candidate-list-table>

This list is under evaluation by (ECHA) and may subject to change in the future.

According to the specified scope and analytical techniques, the concentrations of tested SVHC of all BOTHHAND's Products and the relevant packing materials are less than 0.1% weight by weight (w/w). Compliance is evidenced by written declaration from our suppliers.
